## CHAPTER ONE

# The Destroyers

We live in a world of wickedness, a world ravaged by sin and darkness, a world filled with evil men whose agenda is to waste lives and amass wealth by hook or by crook. The Bible says, “And we know that we are of God, and the whole world lieth in wickedness” (1 John 5:19). Beloved, we are not ignorant of the fact that the god of this world is the devil. The Bible calls him the destroyer:

*“And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon” (Revelation 9:11).*

Many Christians spend their precious time fighting their fellow human beings. Some have even killed their parents in revenge for their misfortunes in life. Some go about complaining and attacking their neighbors as the root cause of their challenges in life. I once saw a video report from Nigeria about children who had been branded as witches. In that video, they told of the atrocities committed by some parents who used machetes to cut off their children’s fingers or toes, because a herbalist had told them that the children were witches and were responsible for their ordeals in life. I was deeply moved to tears and compassion when they told the story of one of the victims of this wickedness: a young girl who had a six-inch nail driven into her head because the herbalist said she was a witch. After the nail was finally

removed, the little girl lost consciousness, and she was never the same again. She suffered lasting brain damage.

The Bible is not silent about who the destroyer is. It calls him the angel of the bottomless pit. His name in Hebrew is Abaddon, which means “the destroyer.” Jesus referred to him as the thief. He said, “The thief cometh not, but for to steal, and to kill, and to destroy” (John 10:10). This is the ministry of the destroyer.

Permit me to define what a destroyer is. A destroyer is a person who destroys things. A destroyer is a waster. He is a terminator. A destroyer has an enduring capacity to lie in wait for his prey. A destroyer can also be likened to a killer or a murderer. He is a person who never spares his captives. He is a devourer.

## **Characteristics of a Destroyer**

1. Speed (swiftness)
2. Manipulation
3. Surprise
4. Skill
5. Experience
6. Endurance
7. Strength (might)
8. Secrecy
9. Weapons
10. Fearlessness

The devil is the waster. He is the archenemy of man and of God. He has his fellow destroyers, and they are on the rampage, especially in this end time. The word of God has declared their mission. They are hunting for souls; men and women who are not sealed by God and not

under the covering of the Lord are their easy prey (Revelation 9:4). The Bible says of the king of the bottomless pit and his host:

*“And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit” (Revelation 9:2).*

*“And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads” (Revelation 9:4).*

## **Purpose or Mission of the Destroyers**

Jesus was specific when He spoke about the ministry of the destroyer of men. He knew, even before the foundation of the world, that this destroyer would oppose God’s agenda for mankind. When He came into this world, He exposed the destroyer’s agenda. The mission of the destroyers is as follows:

- a. To steal
- b. To kill
- c. To destroy
- d. To inflict pain on people
- e. To plant diseases in the lives of people
- f. To cause wars among nations, families, tribes and societies
- g. To sow seeds of discord among the brethren
- h. To cause people to hate and disobey God
- i. To manipulate the minds of people to do ungodly things
  - j. To infest people’s minds so that they invent evil things

- k. To seduce the hearts of the innocent
- l. To lure people away from the truth
- m. To blindfold the minds and eyes of men so that they do not know who they really are in God
- n. To bring oppression
- o. To bring depression
- p. To generate doubt and unbelief in the hearts of men through self, occult practices (sorcery) and strange powers

All these, and many more, are the works of the destroyer. He has done a great deal over the years to ensure that his goals and agenda are achieved. He knows that his time is short; therefore he has intensified his efforts to win more souls and ruin more lives. It is high time we put on the garments of light and became sober.

## CHAPTER TWO

# Spiritual Destroyers

There are some things that destroy our faith and render our spirituality lifeless. Those things are spiritual destroyers. Whatever attacks the faith is capable of destroying it if we do not fight back. The Bible says, “Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints” (Jude 3).

The word *contend* means to fight. Many things are fighting to weary us and make us deny the truth. We see many instances in the Bible of heavyweight spiritual giants who ended up as spiritual casualties because they were too lax to realize that the enemy they were fighting never rests. He is all out to destroy our faith in God. The Bible says, “Submit yourselves therefore to God. Resist the devil, and he will flee from you” (James 4:7). Resistance is very important for us as Christian soldiers. We should stand tall and say no to anything that wants to cripple our spiritual life. In this chapter, we are going to consider some of the things that attack and destroy our faith and spirituality.

When I was in high school, I studied viruses. A virus is indeed a unique organism. It is considered non-living matter outside the cell, but once it enters the body’s cells, it becomes living matter. It has a multiplier effect: it can duplicate or reproduce once it is inside the cell, and some viruses can even write themselves into human DNA. It attacks and destroys the body’s defense mechanisms and exposes the

organs to different types of diseases and bacteria. This is how the destroyers work. They may appear weak from the outside. They may appear ineffective and gentle. But once they enter the host (that is, the person's heart or home), they have dangerous power and are swift to destroy. We have to identify the things that destroy our spiritual lives and then close all their access points. What are the spiritual destroyers?

## **1. False Prophets**

It is very important to note that we are in the last days, and the Bible tells us a great deal about the signs of the last days. One of them is the emergence of destroyers in the guise of false prophets. What does the Bible have to say about this? The Bible says, "Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils" (1 Timothy 4:1).

False prophets are a spiritual virus that infects the body of Christ. We are living in dangerous times. There are numerous false prophets in every nation. They prophesy falsehood and spread lies. Some of them claim to be the Christ. Jesus told us that in the last days many would come claiming to be the Christ, and that we should not be deceived (Matthew 24:4–5).

Some of them now promote white handkerchiefs, olive oil, holy water, crosses and all sorts of sorcery in the church above the word of God and the Holy Spirit. I once heard a man who called himself a prophet selling the blood of Jesus Christ to his members. These are false prophets, deceiving the simple and those who are not spiritually sound. Many women have divorced their husbands for prophets. News reports have told of men who called themselves prophets and abused women in their congregations, claiming that God had told them to do so. Some women are no longer living with their families, at the direction of so-called prophets. Remember the warning about "seducing
